

Life After Stroke Conference 2018

A community conference for survivors of stroke, their families/care partners and their friends

Saturday, April 21, 2018 | 12:30-4:30 pm

Clyde Iron Works (2920 W Michigan Street, Duluth, MN 55806)

Essentia Health would like to invite you to the 2018 Life After Stroke Conference. This year's gathering features keynote speaker Dr. Vikram Jadhav, an Essentia Health Stroke Neurologist, as well as real-life stories from a survivor of stroke and other stroke professionals.

This conference is free and open to the public.
